

IN THE ABSTRACT

Please amend the abstract to read as follows:

Systems and techniques are disclosed relating to wireless communications. The systems and techniques involve wireless communications wherein a module or communications device is configured to enable a closed-loop power control in response to detecting a wide-band interferer and disable the closed-loop power control in response to not detecting ~~[[a]]~~ [[an]] wide-band interferer.

CONCLUSION

Applicants do not believe that any fees are due with this response. If, however, it is determined that fees are owed, please charge any fees or overpayments that may be due to Deposit Account No. 17-0026.

Respectfully submitted,
